offers you countless opportunities to change your life - and change the world.

Make a Difference in Israel

Hadassah offers tangible ways to connect with Israel and Zionism through education, promoting support for our Israel projects and acting as informed "goodwill ambassadors" to the Jewish State through the following:

- * Hadassah Medical Organization
- * Hadassah College Jerusalem
- * Hadassah's Youth Aliyah/Children At Risk programs, helping disadvantaged Israeli children
- * Young Judea clubs, camps, and Israel programs
- * Partnering with the Jewish National Fund
- * Israel, Zionist and International Affairs

Make a Difference for Others

Hadassah strives to meet the needs of American Jewish women by focusing on issues such as health and wellness, Jewish continuity, advocacy, and community service. Our initiatives include:

- * Health education programs such as Check It OutR, the nationally-recognized Breast Health Awareness project.
- * Activism on issues through advocacy.
- * Programs, through Jewish family education, which support Jewish continuity in America, such as Training Wheels.
- * Community projects such as the Read*Write*Now! tutoring program, Curriculum Watch, and Mitzvah Day.

Make a Difference for Yourself

Wherever you are in life, Hadassah is the place where you belong. You can:

- * Connect to a Jewish community by belonging to one of our more than 1200 chapters and groups throughout the United States.
- * Participate in educational opportunities.
- * Experience the joy of tzedakah.
- * Benefit from opportunities through Young Women, Hadassah Leadership Academy and other leadership programs.
- * Become involved in Professional Councils.
